**Message from the Chief** Buddy  
Robshaw (policechief@cheverly-md.gov)

**NATIONAL NIGHT OUT** - Mark this important date on your calendars. Tuesday, August 7, 2007, from 6:30 PM to 8:30 PM, is the 24<sup>th</sup> Annual National Night (NNO) to be held at Legion Park (Cheverly Ave and Forest Rd). NNO is a celebration of solidarity against crime among various cities, towns, and municipalities across the nation and all Cheverly residents are encouraged to attend this important event to send a strong message that "CRIME IS NOT WELCOME IN CHEVERLY." Aside from information booths, there will be a Moon Bounce for the kids, a putt-putt golf hole, a DJ and popular music set-up, and a display of police and recovered firearms. In addition, for the second year running, **Outback Steakhouse** (Largo, MD) is our local sponsor and will cater this event. It is very important that as many residents as possible attend to show our Town's community/police spirit.

**FURNITURE SALE** - Over the years, the Cheverly Police Department has acquired a great deal of fairly new or slightly used furniture that we no longer have room to store. All of this furniture will be on display and for sale on Saturday, July 21, 2007, starting at 9:00 AM. Items include large metal file and storage cabinets and assorted other cabinets that have both home and office use. These items are great for organizing your garage and/or basement. Proceeds from this sale will be used to purchase a laser radar unit that fills a real need within the Department relevant to speed enforcement on smaller municipal streets. All inquiries should be directed to Lt. Frohlich at (301) 341-1055.

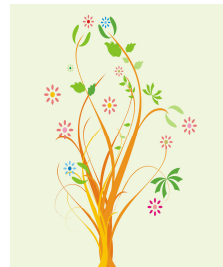

**WE NEED BOOKS** - The Cheverly Police Department has acquired several new library units for its conference room and is in need of law and/or law enforcement-related books and materials. Any donations are greatly appreciated and are tax deductible. Reference books are used quite regularly around the Department to research enforcement and investigative methodology, case law, and to help a number of officers who are currently attending college. Thank you in advance.

**OPERATION SMOOTH OPERATOR** - This State-funded aggressive driving enforcement programs will continue throughout September. Extra officers will be assigned specifically to this program using grant overtime monies. Please make every effort to obey speed limits within the Town and have all vehicle occupants wear a seatbelt/harness at all times. This is of particular importance for our youngest residents. Please use carseats safely and efficiently.

**BE AWARE OF LESS THAN HONEST HOME REPAIR AND LANDSCAPING COMPANIES** - A Cheverly resident was recently scammed out of several thousands of dollars by an unlicensed, uninsured, and unbonded landscaper/tree removal "expert" who indicated that he had done work for other local residents. Before any Cheverly resident engages the services of any home improvement or landscape company, they should first check to see if these individuals are licensed as may be required by the State of Maryland, Prince George's County, and/or the Town of Cheverly. If you have any question as to whether you are dealing with a reputable company and/or individual, ask to see a license, a sales contract, and a list of past customers (with telephone numbers). If you still have any question, call an investigator with this Department.

**MARYLAND LAW QUIZ** - See how well you can do with the following questions:

1. A person may not stand or park within \_\_\_\_\_ feet of a stop sign in Maryland.
  2. A pedestrian may not walk on any roadway where a \_\_\_\_\_ is provided.
  3. What else is required whenever windshield wipers have to be activated because of weather conditions.
  4. Every child under the age of \_\_\_\_\_ years or under the weight of \_\_\_\_\_ pounds must be transported in a child safety seat.
  5. A signal of the intention to turn left or right shall be given continuously during at least the last \_\_\_\_\_ feet by the vehicle before turning.
- 
1. 30 feet
  2. Sidewalk
  3. The operation of headlights.
  4. 6 years or 40 pounds
  5. 100 feet

**Mother Nature** is taking her toll on our street trees. If you have recently received a tree on the planting strip in front of your house, please consider putting a 5 gallon bucket of water on it every several days. This will help the public works department in their endeavor to keep these trees alive and well.

The 200 children and their parents had a wonderful time visiting with the Easter Bunny and going out to find the eggs. A great time was had by all and everyone went home with a goodie bag and a stuffed bunny.

### **AMERICAN WAR MOTHERS CHAPTER**

would like to thank the principals and students at St. Ambrose and Gladys Noon Spellman schools for their participation in a letter writing campaign to the wounded soldiers at Walter Reed Army Hospital. Over 100 letters were written and delivered to the soldiers in hand made holders by chapter member Barbara Tyler and her sister.

**CHEVERLY WOMAN'S CLUB** is grateful for the acquisition of 2 boulders for Cheverly's Peace Garden. The boulders have already been placed in the garden, one on top of the other and close to the Pinkey's Park sign at the corner of Beecher and 59th. The boulders were purchased by Dave Kneipp and donated by Dave and the Town.

We'd also like to thank Juan Torres and Public Works for their advice and continuing efforts to establish the Peace Garden, maintain it and help to develop it further.

Anne Ramsaur is planning to paint "Peace Garden" on the boulders this summer.

We hope you'll visit the Peace Garden, care for it, help it evolve and absorb the energy of peace it emits to each of us.

Other creative ideas for enhancing the garden are being discussed. We hope to hear from you about your ideas as well.

**CHEVERLY FLAGS —**  
**\$50.00** at Town Hall.

### ***We still have MULCH***

Public Works has fine grade mulch, ground from leaves and yard waste brush, etc. Contact the PUBLIC WORKS OFFICE to schedule a mulch delivery. They are open Monday-Friday from 7:30AM to 4:00PM.

The fee is \$20 per delivery. The Maximum for one delivery is two (2) scoops of the bulldozer. If you have any questions call **301-773-2666**.

Public Works will keep a large mound of the mulch at the Town Park parking lot (near the ballfields) for residents to help themselves. The Town **DOES NOT** provide wood chip mulch for residents. Any mounds of wood chips in the parks **IS FOR THE PARKS** and is not available for residents to take.

Public Works can only deliver mulch where there is a driveway or a safe place to back their dump truck and tip the load on the lawn.

REMINDER: If you leave mulch on the lawn for very long—it will kill the grass beneath.

## MISS UTILITY

**1-800-257-7777**

Whenever you alter the ground in any way, the law requires that you contact Miss Utility first. If you don't and as a result damage an underground line, you'll have to pay for any repairs—and possibly face legal consequences.

Miss Utility will send out professional locators to your property to mark all buried lines that are owned by utilities indicating where it is not safe to dig. Always contact Miss Utility first. It's free, simple and it's the law.

## KEEP OUR CHILDREN SAFE !!!

Now that Summer is here, please be aware of all the children running and playing in the area. Slow down and be on the lookout..

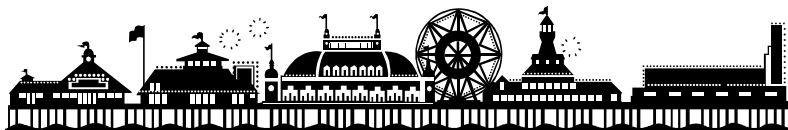

## TAMING THE "TIGER"

Summer is here and so is the "Asian Tiger".

### REMINDER:

**Check your yard for ANY containers that can hold water.** Even the smallest amount of standing water (1 Tbsp.) can serve as a breeding site for the tiger mosquito. The 'Tiger' lays its eggs in these sites and they hatch within a few days of being flooded. Even small containers such as drinking cups can produce mosquitoes. Spray sheltered areas in your yard with an insecticide labeled for adult mosquitoes.

**M.R.P.A. Maryland Recreation and Parks Association** is now offering reduced price tickets to area amusement parks. [www.mrpanet.org](http://www.mrpanet.org)
